RE: MUR 6734 – Robert Reynolds – Notification of Refunds

Dear Ms. Stevenson:

We are writing to follow up on our prior letter to Anthony Herman, dated June 24, 2013, which responded to MUR 6734, regarding allegations of excessive political contributions by Robert Reynolds in 2011 and 2012 (the "June Response").

In the June Response we advised that Mr. Reynolds was in the process of seeking reimbursements from various committees in order to bring his contributions within the biennial contribution limits under the Federal Election Campaign Act ("Biennial Limits"). This letter serves to confirm that this process is complete and that Mr. Reynolds has received refunds of contributions made during the 2011-2012 cycle totaling \$84,400 to bring him within the Biennial Limits for that period.

As a result of the mitigating factors described in the June Response, and in light of the fact that Mr. Reynolds has now obtained refunds sufficient to be in compliance with the Biennial Limits, we again respectfully request that the Commission take no further action on this matter. Furthermore, should the Commission decide to proceed, we request that it delay any decision until the Supreme Court's resolution of *McCutcheon v. Federal Election Commission*, which presents the question of the constitutionality of the Biennial Limits.

Please contact us with any questions or requests for additional information.

Sincerely,

Kenneth A. Gross
